## About Us

Dious was founded in 2005 and with decades' development, it has led the commercial furniture market with a diverse range of products for workspaces, hotels, and healthcare.

It now has 4 manufacturing bases with an area of over 1 million square meters, around 5 thousand employees, and an annual turnover of 300 million US dollars.

DIOUS, as an integrated company with R&D, manufacturing, sales and after sales service, supplies contract-quality furniture to clients and customers with eco-friendly materials, modern and fashionable designs, diverse ranges, competitive prices as well as commitment to after-sale guarantee.

A close-up, low-angle shot of a brown leather chair. The focus is on the curved edge of the seat or backrest, showing the texture of the leather and the intricate gold-colored stitching. The lighting is warm and directional, highlighting the grain of the leather and the sheen of the thread. The background is a soft, out-of-focus brown.

A white mesh office chair is the central focus, shown from a side-rear perspective. The chair features a white plastic frame and a light-colored mesh backrest. The word 'KEO' is printed on the upper part of the frame. The chair is positioned in front of a desk with a computer monitor and a framed picture. The background is a bright, modern office space with large windows. The entire image has a light blue tint.
